

CRANBROOK & SISSINGHURST PARISH COUNCIL

BIOPIC

DAVID COOK

Have lived in Cranbrook since 1981, served 30 years at Cranbrook School as Chaplain and, later, Housemaster.

Been involved a governor at the Primary School. My 3 children went to Cranbrook Primary, Angley (as it was then) and Cranbrook School, while my wife worked as School Nurse at Angley, and later Cranbrook, before becoming a Teaching Assistant at Angley/High Weald.

So - pretty involved in education one way and another, and also with the parish church, but also other interests. I want to make part of the churchyard more meadow-like, to support pollinating insects.
